Regional Water Management Group (RWMG) Comments on the Proposition 84 Round 2
Draft Implementation Grant Funding Recommendations

Dear Mr. Wallace:

On behalf of the USCR IRWM Plan RWMG, I am writing in support of the Proposition 84 Implementation Grant draft funding recommendations and to express our appreciation for the effort that went into the evaluation and scoring of the submittals. We look forward to being included on DWR's final recommended funding list for this round of implementation grants so that we can work with our stakeholders to enhance regional water management and the implementation of these important projects.

Please have your staff coordinate their activities with Lauren Everett, Water Resources Planner, at (661) 513-1282.

Sincerely,

Dan Masnada
